What We’re Reading at BPL

Erica Threatt, better known in Birmingham as Chef E, visited the West End Branch Library on November 6 to demonstrate how to prepare a healthy Thanksgiving meal; the lucky audience got to sample the delicious dishes. Chef E has worked closely with the Birmingham Public Library for several years, sharing healthy cooking tips and recipes.

Healthy Holiday Eating with Chef E

The library offers numerous free and affordable programs and services. Classes range in subject matter from kids’ activities to tech education to health and wellness. Many of the library’s programs are taught by professionals and artists and allow you to express your craftiness while making new friends.
