Summer Family Crafting

Crafting is a fun and beneficial way for families to spend time together. This summer there will be long hot days and this kind of indoor activity can relieve stress, provide an escape from the routine, enhance a positive mood, and help with developing family creativity. The library’s shelves are full of craft books for ideas that will keep you all summer.

The Classical Music Book

We all have regrets concerning our college years. One of mine is not taking a classical music class and learning more about the foundation of modern music. When meeting friends who are composers or musicians I feel distinctly ignorant when the conversation takes a classical turn and downright desperate if they begin discussing historical movements or start using technical terms.
